- ✓ Program Savings Identification, Strategy Development, and Execution
- ✓ 340B Coaching, Comprehensive Compliance Reviews, Integrity Audits, and Audit Preparation
- ✓ Assistance with HRSA Audit Response and Remediation
- ✓ 340B Program Education, Training, and Compliance Program Design
- ✓ Manufacturer Audit Response, Risk Analysis and Resolution

The Alinea Group includes pharmacists, regulatory experts, former Big 4 audit professionals, hospital administrators, and analysts who have collectively spent the last 15 years assisting covered entities assess, design, implement, and optimize their 340B program. We are trusted advisors with a focus on overcoming operational challenges to help our clients navigate the ever-changing 340B environment.

As the 340B program's reach extends far beyond pharmacy, The Alinea Group assists covered entities in ensuring that 340B compliance is met through cross-functional coordination that integrates financial, operational, legal, management, and technological aspects of the program. Our breadth of services and vast exposure with numerous covered entities and 340B affiliated groups has provided our team a unique understanding of program challenges and methods to mitigate risks and optimize savings.
